Introduction

At the beginning of the 21st century our world is facing serious problems with regards to environment, climate, energy conversion, raw materials, water and food. All these global problems are seeking scientific solutions, especially from physical chemistry and electrochemistry, and in this connection analysis and dynamics are of tremendous importance. It is expected that the 7th Ertl symposium will provide a good opportunity in these attempts, and we wish great success to all the people involved in this enterprise.

Special Collection

A Special Collection of ChemSusChem (2021 ISI Impact Factor: 9.140) is being assembled to highlight the work being presented at the 7th Ertl Symposium on Catalysis in Electrochemistry. Contributions will be invited and subjected to standard peer review for the journal.

Submissions are already open for the Special Collection and contributions can be uploaded via the ChemSusChem website. The deadline for submission of manuscripts is October 31, 2022.

Guest Editor: Jaeyoung Lee (GIST)

Conference Fee & On-line Registration

▶ Regular participants: 350 EUR (470,000 KRW)

Student participants: 200 EUR (270,000 KRW)

The registration fee includes the Book of Abstracts, Tutorial Course,

Coffee and Tea Break with JAZZ, Poster Session F&B, Banquet and ACC Special tour

Payment: in CASH or Credit Card at the registration desk upon arrival.

Conference Venue <https://www.acc.go.kr/en/index.do>.

The 7th Ertl Symposium will be held at the Asia Culture Center (ACC) The hall has state-of-the-art conference facilities and is an ideal meeting location.

ACC could be reached by bus, train, or airplane from Incheon International Airport and is well connected by plane (40 min. from Gimpo (Seoul) Airport), high-speed KTX train (90 min. from Gwangmyeong Station) and express bus (3 hrs 30 min. from Seoul and Busan and Pohang).

About Gwangju <https://www.gjto.or.kr/>

Gwangju, also called the City of Light, with a population of 1.5 million, is the fifth largest city in South Korea. Gwangju is situated in Southwestern part of South Korea, about 300 kilometers south of Seoul and can be easily reached from other major cities in South Korea. Gwangju has long been renowned for its tradition, customs, culture and arts. It is home to the Gwangju Biennale, held every two years to celebrate the worldwide artistic accomplishments by accommodating works of both Asian and contemporary Western art. The city has an important place in the history of South Korea's democracy and human-rights movement.
